The following is an editorial by Year 12 student ():
 "On the 7th of March local MP Vicki Ward hosted the annual International Women's Day Celebration that hosts the Pauline Toner Prize.

I attended along with our School Leaders Jules Broeren (Year 12, Everard House) and (12,) our nominees Cassie Tibbits (Year 9, Rutter House) and Shahla Paynter (Year 12, Rutter House), Mr Sicari and Mrs Devlin.

A number of speeches were delivered by Vicki Ward, Federal Member for Jagajaga Kate Thwaites, and guest speaker Melanie Kwee who has been "breaking the bias" in the construction industry, and currently holds a directorial role at Major Road Projects Victoria.

The Pauline Toner Prize was named after Pauline due to her inspiring time in politics. She was not only the first woman to be elected to the Victorian Legislative Assembly in our area but also the first Victorian female Minister.

Our two student nominees for the Pauline Toner Prize joined seven other young women from surrounding high schools.

Cassie Tibbits was nominated due to her commitment to our school value of 'Social and Environmental Responsibility', which she showed through her work in the Do It In A Dress Campaign and volunteer work at Scouts Victoria.

Shahla Paynter was the other nominee from our school, and winner of the prize, as a result of her hard work in including more women in jazz (including starting the female jazz ensemble). She has been a part of Harmony Team for several years, supporting people in the LGBTQIA+ community and running the Do It In A Dress Campaign.

Shahla's amazing work throughout the years won her this Prize, and all of us here at school could not be prouder of the astonishing work our students do. Great job Cassie and Shahla."

I congratulate all nominees from the various schools for the amazing work they are all doing within their school and amongst our community. I encourage them all to forge on with this work as I am certain that it will make a difference.

Student Progress Interviews

Bookings for the Student Progress Interviews will open on Friday 11 March at 9:00am. Interviews will be held this term on the following dates:

Student Progress Interviews allow for the opportunity for a three-way conversation; between the teacher, the parents/guardian and the student. Where possible we encourage students to be present for the interviews.

As a result of the remote learning experience Eltham High School made a decision to continue with the option of online interviews. The current context means that all interviews will be conducted online in semester one.

In preparation for the Student Progress Interview families are encouraged to book in early. Interview bookings will open on Friday 11 March at 9:00am. Interim Reports will be published prior to the interviews. The Interim Reports provide information on student progress to date. Some teachers may request a Student Progress Interview via the Interim Report.

Information about joining interviews via Webex will be available via Compass leading up to the interviews. Where families have not used Compass in the past they will be encouraged to allow time before the commencement of the interviews to check their connection. Students in years 8-12 will be familiar with Webex having used it in 2021 for remote learning. Further information about Compass logins can be provided by the Support Staff in each of the Sub-Schools.

Oxfam Trailwalk 2022

100km at a Snail's Pace or 20 hours for the Galloping Gastropods? For the tenth consecutive year (let's pretend 2020 & 2021 didn't happen) Eltham High School will be supporting a team in the Oxfam Trailwalk on 2 & 3. The Trailwalk is a 100km fundraising event in which all four team members walk the whole 100km. Whilst participants (about 750 teams) have 48 hours to complete the distance, our Eltham High School team are aiming for an ambitious time of 20 hours or less. Training for this target is progressing well, with recent training sessions up around the 50 km mark. The 2022 team consists of Cameron Laurence, Peter Seymour and Ross McKinnon. The Trailwalk is Oxfam's biggest fundraiser, with the 2022 Victorian Trailwalk aiming to raise over two and a half million dollars to support Oxfam's work both nationally and internationally. If you would like to support the fundraising efforts of the Eltham Gastropods, the simplest way is to make an online donation by following this link:

Thank you in advance for your support for this great event.

Timetabled Sport – Year 7 and 8

Students in Year 7 and 8 participate in a Sport session once per week. Students participate in a range of sports throughout the term. Students are involved in the umpiring and scoring duties each week. We aim to provide students with a small taste of a variety of sports, many of which are offered in the Inter-School Sports Program. Participation is the main goal of these sessions and students are encouraged to experience a range of games. There is an expectation the students change into their PE uniforms for this session – we would greatly appreciate your assistance in ensuring PE uniforms are brought to school for both PE and Sport sessions.

After School Drama Program

The Eltham High School Drama Program will again run two ensembles in 2022:

Junior Drama Ensemble (Years 7-8) Wednesday afternoons from 3:20pm - 5:00pm.

Senior Drama Ensemble (Years 9-12) Thursday afternoons from 3:20pm - 5:00pm.

Both ensembles are fun, co-operative and educational cross age experiences and are an Eltham High School institution. It is the Ensembles that create the school's major productions and improvisation performances, and provide the springboard into the school's elite drama performance groups.

Both Ensembles are open to all students. There is no audition, and all participating students are guaranteed a part in any Ensemble production. The emphasis is on the process rather than the product, on learning and enjoyment rather than the production alone. Students can come along for a two week free trial.

There is a fee of \$180 per semester

2022 Language Faculty Assistants

Eltham High School has an excellent tradition of employing both Indonesian and French language assistants to work directly with our students in order to help develop student language proficiency.

This year we are very fortunate to welcome back Diana McMahon (Indonesian) and Sandrine Hennuyer (French) who have been working with our students over a number of years. The native speaker assistants will be working with Years 9 – 12 students of Indonesian and French on a weekly basis, starting this week on 15 February.

The language assistant program provides students with the invaluable learning experience of developing verbal skills with a native speaker.

We look forward to seeing our students' linguistic skills grow this year with the support of our wonderful language assistants!
